dialdirect

Why choose Dialdirect?

So, you decided to do your thing and get a quote with Dialdirect – smart move. We're pretty excited about the awesome cover we have in store once you join us. But we have even more benefits to share with you – just take a look.

- **Save up to 15%** on your premium when you comprehensively insure two or more cars with us. The more you insure, the more you save. So, add building or home contents cover to get further discounts.
- **Drive a newer car** if yours is written off with our BetterCar value option. We'll either replace your car with, or pay you out for, a model that's one year newer if yours is written off in an accident. This value does not apply to theft and anti-theft claims.
- **Live life on the go.** With the Dialdirect app, all your policy services are in one convenient place 24/7.
- **Get 1GB data on the house** with our data offer. Once you're on our team, we'll give you 1GB of data absolutely free for simply logging into our app and confirming your risk info.
- **Make some extra bucks with almost zero effort.** With our Payback Bonus, all you have to do to get that money is to be claim free for four years with all your monthly premiums paid in full.
- **Get help in a flash with our** emergency assistance. If you have a qualifying policy with us, you automatically get our Assist benefits to help you in those emergency situations on the road with Tow Truck Direct, or at home with Home Assist.
